

DIRECT CHASSISLINK RESERVE

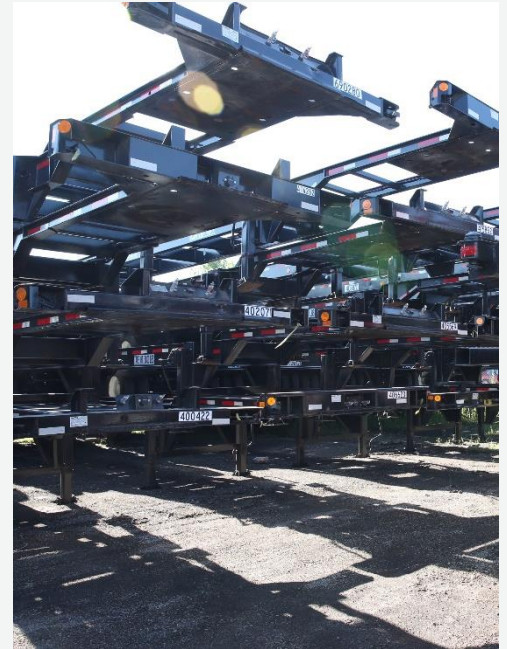

Premium Chassis Available for Your Drays, Guaranteed

Direct ChassisLink Reserve (DCLR) is a new type of chassis pool, offering you guaranteed, reservation-based access to premium quality chassis at an attractive rate of **at least 35% below the average market per-day rate.**

With **DCLR**, your chassis is:

- Built, remanufactured, or refurbished within the past seven years including radial tires and LED lights
- Outfitted with GPS for enhanced tracking capabilities
- Guaranteed to be available based on your committed volume and utilization levels
- Reserved and ready for your dray via our online reservation system
- Expertly inspected, maintained, and staged for “ready row” service by DCLI’s M&R team

DCLR chassis can be picked up at our Navy Way Chassis Depot, conveniently located next to APMT and TTI at **[895 Reeves Avenue, San Pedro, CA.](#)**

As a **DCLR** customer, you’ll have access to our online reservation system that will ensure your chassis is ready and waiting when you arrive. If you are able to guarantee certain volumes and utilization rates for your drays, you can earn additional discounts off our published daily rate, making **DCLR** an even better solution for your business.
