

THE SUPPORT YOU NEED, GUARANTEED

Direct ChassisLink Reserve (DCLR) provides committed chassis capacity to ensure your container moves stay on schedule. Conveniently located near major port terminals, DCLR gives you exclusive access to premium, road-ready chassis, eliminating uncertainty and delays.

With DCLR's reserved equipment, you can focus on delivering for your customers, not worrying about reliability or availability. No searching for a good-order chassis. No out-of-stocks. Just ready-to-roll, high-quality equipment for every move.

Why DCLR?

- **Strategically Positioned:** Available at key locations, so your last mile starts without delays.
- **Priority Access & Cost Savings:** Commit to chassis volumes and utilization rates and unlock lower per-day pricing.
- **Seamless Digital Reservations:** Secure chassis in advance with an easy-to-use online platform, so your motor carrier has what they need, when they need it.
- **GPS-Enabled Tracking:** Know exactly where your container is at all times with real-time visibility through the Blackberry Radar dashboard.
- **24/7/365 Roadside Support:** Help is always available to keep your supply chain moving.
- **Premium-Quality Chassis:** Reserved units, manufactured, remanufactured, or refurbished within the last seven years for maximum reliability.

DCLR makes sure your operations run smoothly, so you can focus on what matters most—your business.
