

myDCLI FULL-SERVICE LEASE MANAGEMENT GUIDE

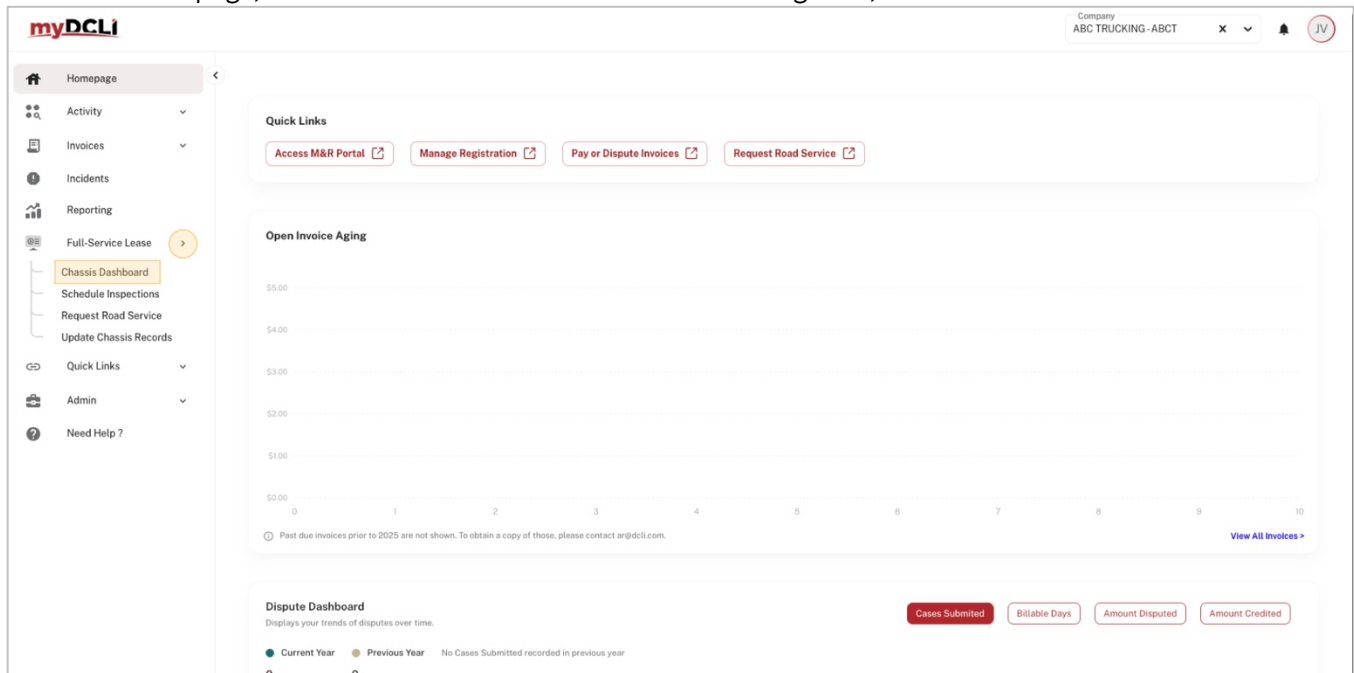

Accessing Detailed Chassis Information on myDCLI

1. Go to myDCLI.com/login or click Schedule Now on the Inspection Overview email and sign in to myDCLI. You will receive a multi-factor authentication email containing a code to confirm your identity. It will be sent from: myDCLI (via Microsoft) <account-security-noreply@accountprotection.microsoft.com>. Enter the code you receive in the Enter Code field and click Sign in.

NOTE: If you want to save your credentials for a quicker login process, you can select to do that on the following “Stay signed in?” screen.

2. From the Homepage, click Full-Service Lease in the left-hand navigation, then Chassis Dashboard.

3. From the Chassis Dashboard, click on a chassis number. This will open the detailed chassis information page for that specific chassis.

Chassis Dashboard

Track and manage inspections for your Full-Service Lease chassis. Select an inspection tab, then use the checkboxes to schedule service for one or more chassis at the same location on the same date. To request road service or record updates, use the All Chassis tab. A mobile mechanic will be dispatched to the location you provide.

4. Each chassis has a chassis information page. These pages house detailed information, including:
- Chassis Attributes:** View the chassis number, VIN, tire type, tire size, license plate, asset type and more.
 - Inspection Due Date:** View the next due date for the chassis' annual FMCSA inspection, quarterly BIT inspection (California Only), and optional Quarterly Maintenance inspection.
 - Lease Information:** View the chassis' associated Fleet Pool Contract, the lease start date, and location the chassis was on-hired.
 - Inspection Documents:** View available FMCSA inspection and BIT inspection documents.
 - Chassis Documents:** View the chassis registration document.

5. You can also take multiple actions from this page:

- a. **Request Road Service:** If the displayed chassis needs an immediate repair or roadside assistance, click the Request Road Service button at the top of the page. You will then be directed to the Road Service Request form. Once submitted, a mobile mechanic will be immediately dispatched to your specified location.

- c. **Update Inspection Dates:** If you performed an inspection independently, outside the myDCLI process, or notice an incorrect inspection date, you must fill out the Update Inspection Record form. To request an update to an inspection record, click Update in the Inspection Due Dates box. The Update Inspection Record box will appear. Once submitted, DCLI will adjust the internal records; the update will not be instantaneous.
