

Reading the Full-Service Inspection Overview Email

In this guide, you will learn about the terms and information listed in the monthly Full-Service Inspection Overview email.

- 1. Schedule Now Button:** Click this button to log into myDCLI and request service for chassis with an upcoming or past-due inspection.
- 2. Fleet Pool Contract:** The unique contract name assigned to each lease contract to help distinguish between multiple lease contracts within a single company.
- 3. Lease Start Date:** The date the lease went into effect, as defined in the contract.
- 4. On-Hire Location:** The market where the chassis were on-hired at the start of the lease.
- 5. Total Chassis:** The total number of chassis within a fleet pool contract, regardless of chassis type.
- 6. Chassis Number:** The 10-character code assigned to each individual chassis composed of a four-character alpha code and six-digit number (e.g., MAEC593737).
- 7. Service:** The type of inspection that is past due or upcoming for the chassis (e.g., FMCSA, Quarterly Maintenance, or BIT (California Only)).
- 8. Due Date:** The date on which the inspection is due.
- 9. ! :** This icon indicates an inspection is past due.
- 10. Road Service Request:** If you require immediate roadside assistance or need to request an immediate chassis repair, select Request Road Service on myDCLI or call (704) 709-2553.

Thank you for being a Direct ChassisLink Leasing (DCLI) full-service lease customer. Below is a summary of the DCLI full-service lease contracts in place for ABC TRUCKING - ABCT, along with a list of chassis that are eligible for annual or quarterly inspections.

Schedule Maintenance

Inspections and maintenance services are included in your lease. Please review the table below and schedule any work you would like to have completed.
